

## Falling Waters

### ‘25W Couples Bocce

### Information & Schedule

The time has come again for the Falling Waters Bocce Committee  
to publish its invitation for the upcoming "**Couples**" season.

#### *New Registration Process:*

The original intent of the Couples League was for couples to come out in the evening to play bocce, meet new people, and possibly make some new friends. Unfortunately over the years, the structure has drifted away from its original intent.

In an effort to bring it back, we have modified the registration process in the way that we create groups.

Our goal is to register approximately 60 to 72 couples per season, which allows us to create 6 groups of 10 to 12 couples.

Each group plays its games on one of six different nights over a 2 week period (Wed, Thu, Fri in week 1 & Wed, Thu, Fri in week 2).

As in the past, each group will meet at 4:45pm to play on their assigned night every other week (4 games over the 8 week season).

*This year, specific group placement requests will **NOT** be accepted. Registered couples will be **randomly** placed in a group which would be assigned to play on one of those six nights.*

*However, in order to avoid conflicts with other activities, each couple can, if they desire, request **NOT** to be placed in a group that plays on **ONE** specific week night (Wed, Thu or Fri).*

***Registration Notes:***

Falling Waters Bocce League registrations will once again be open to both residents and non-residents. A 'resident' is herein defined as a current Falling Waters owner, renter or long term guest.

To ensure that all Falling Waters residents have an opportunity to join the league, for the purpose of **registration only**, preference will be given to Falling Waters residents.

### ***Registration Methods:***

*Sign-up sheet in the clubhouse. . . . . (for use by RESIDENTS only)*

*Email [FWBocce@gmail.com](mailto:FWBocce@gmail.com). . . . . (put 'SIGN US UP/COUPLES' in subject)*
